HEALTH CONDITION RATING SCALE

The rating scale below is designed to measure the degree to which several aspects of your life are presently disrupted by your health condition (pain and/or symptoms you may be experiencing). We would like to know how much your health condition (pain and/or symptoms you may be experiencing) is preventing you from doing what you would normally do, or from doing it as well as you normally would. Respond to each category by indicating the overall impact of pain in your life, not just when the pain is at its worst.

I understand that all services are to be PAID IN FULL on the day of service unless other arrangements have been made and agreed to in writing. If I have insurance, BEND CHIRPORACTIC CENTER will submit a claim on my behalf. I realize that the insurance company may not cover the full amount of services rendered and that I am responsible for that balance, except where provider discounts apply. I authorize payment of medical benefits directly to BEND CHIROPRACTIC CENTER.

Method of payment for today's charges: CASH CHECK CREDIT CARD

PLEASE NOTE: Not all patients require x-rays to determine type of care and length of care. If your examination warrants x-ray analysis, the following office policy prevails:

1. All first visit charges are payable when services are rendered.
2. The fee paid for x-rays is for analysis only. California State Law requires we maintain your x-rays. The film itself is the property of Bend Chiropractic Center. Films may be loaned to another facility with authorization only.
